fischer elektronik
kühlen schützen verbinden

Data sheet Product
RL05_160

Cases>Design cases
Design case RAIL
contents of delivery: **1** = 1 x basic profile; **2** = 2 x plastic frame (**RAL 5014** pigeon blue oder **RAL 9005** deep black); **3** = 2 x handle profile; **4** = 2 x cover plate (3 mm);
5= mounting material

- ergonomic aluminium case, suitable for portable use or as a bench case
- insertion possibility for 100 mm Eurocards with a grid spacing of 5.08 mm (1 HP)
- EMC compatible design achieved by means of electrically conductive surface treatment and additional conductive seals **EDKO**
- the special shape combined with convenient handling profiles enables safe handling, also for mobile applications
- shock-proof plastic cover
- integration possibility for front foils or key pads
- protection class IP 65 achieved by use of seals **IDKO** upon request
- the cover plates can be perforated or imprinted according to your specifications
- further colours and surface treatments upon request
- Combined with the seals **EDKO** and **IDKO** longer handle profiles are required

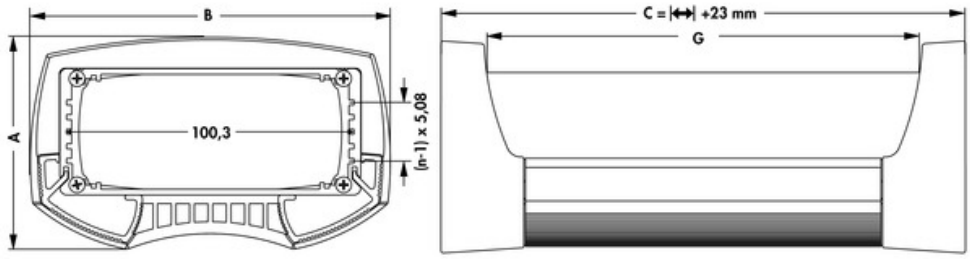

Please indicate with your order!

C = available inside lengths +23 mm

Features

surface:	• **black anodised** • **natural colour anodised**

Technical Drawing

height:	**73.5 mm**
width:	**125 mm**
length:	**183 mm**
number of guide slots:	**5**
G:	**151 mm**
